

High School
End Of Course Exam Schedule 2019

On the days we have testing, only the students involved in testing will be required to be at school.

April 10 ELA I and ELA II (9th and 10th grade English students and 11th/12th grade students needing to re-take the exam).

April 25 Algebra I and Geometry (All students taking Algebra I and Geometry and students needing to re-take either exam).

April 30 American History and Government (All students taking American History and Government)

May 1 Biology I (All students taking Biology I)

Students will be finished with the ELA exams at 2:30 and be released at that time. All the other exams will be finished at 2:15 and students will be released at that time. Students taking an exam need to be here at regular time in the morning.
