

RECYCLABLES COLLECTION DRIVE FOR **STEM**

Looking for all types of materials to add to our STEM Lab Makerspace!

Families, friends, and community members are invited to look for the following items around their home and help grow our STEM makerspace resource collection. **Currently, we are in dire need of popsicle sticks, masking tape, and mini hot glue sticks.** We use these items during our weekly design challenges and maker projects. Items we would love include:

Strings and Wire

String, Thread, Yarn,
Pipe Cleaners, Wire,
Dental Floss,
Fishing Line

Fasteners and Adhesives

Tape, Glue,
Zip Ties, Twist Ties,
Velcro

Wood & Paper

Popsicle Sticks, Skewers,
Toothpicks, Balsa Wood,
Paint Sticks, Dowel Rods,
Newspapers, Magazines,
Index Cards, Cardstock
Building Blocks

Rolling Things

Marbles, Wheels,
Cardboard Tubes,
Spools, Spindles,
Balls, Pool Noodles

Craft Supplies

Buttons, PomPoms,
Foam Shapes/Letters,
Beads, Feathers, Googly
Eyes, Q-Tips, Pipe
Cleaners, etc.

Recyclables

Cups, Plates, Silverware,
Caps, Plastic Bottles &
Cartons, Old Game Pieces,
Old Toy Pieces, Old
Electronics we
can take apart,
anything with gears,
Legos

Well
washed,
nut-free
packaging
please!

A big big thank you!

**Bring items to the STEM Showcase in the Commons area
Tuesday, February 19 from 4:30-7:00pm.**

Finally, if you have a career related to the fields of Science, Tech, Engineering, Math, or Design, and willing to share more about it with our students, email Mrs. Burgei! If you have

questions, please email Mrs. Burgei at burgeim@alleneastschool.org or stop in during the Showcase.
