

Dear Allen East Parents,

Our 10th annual Kim Evans' Memorial/Toys for Tots drive is now underway! In the previous years, Allen East donations have supplied Christmas gifts for over 2,000 children. Because of your support, we have been able to give a substantial amount of money and toys to the Salvation Army in order to be shared with those less fortunate. This year, we are hoping for the same generosity that this community has offered in the past.

The charity drive begins Wednesday, November 7th and continues through Friday, December 7th. Donation boxes are set up in the Elementary office. Toy donations should be dropped off at this designated area only. Monetary donations are not suggested...toys and books only. Your generosity is greatly appreciated!

Sincerely

Mrs. Thullen & Staff at Allen East
