

## Allen East Athletic Ticket Procedures, 2020-2021

Allen East has implemented the following procedures for the 2020 fall sports season.

### \*Ticket pricing

Varsity Football \$10

Varsity Soccer and Volleyball \$5

Jr Hi Volleyball and Football, JV Football \$3

### \*HS Football Seating/Tickets

It has been decided that ticket allotment will be determined by seating capacity (15% of total) at various stadiums with home school receiving 2/3 of the tickets and the visiting school receiving 1/3 of the tickets in our NWC league. Each school will determine the access to those tickets with priority being given to players, cheerleaders, and band members for home games. All football tickets will be presale only and purchased Monday/Tuesday of that week's game at school. Home and visiting spectators will need to purchase tickets at their respective schools prior to arriving at the game. There will be no tickets sold at the gate.

### \*All Others Seating/Tickets

At this time, tickets will be sold at the door for Varsity Soccer and Volleyball, Jr High Volleyball and Football and JV Football, until the 15% fixed seating capacity is met.

\* Visiting schools will provide game day rosters for those to be admitted at the pass gate. This includes coaches, video personnel, stat personnel, and district administrators only.

\*Bands will only be permitted at home games.

\* No passes (Staff, Administrator, NWC, Family, Coach, Senior Citizen, Lifetime) will be allowed. This includes NWC or league passes, local district passes, senior passes, or NWC lifetime passes.

Spectators must social distance while at Allen East events and wear a mask.
